19<sup>th</sup> March 2020

Dear Parent / Carer

Due to the recent announcement from the Prime Minister, Boris Johnson has informed us that all UK schools must close due to the spread of the Coronavirus and I am writing to officially notify you of the school closure from Friday 20<sup>th</sup> March 2020 at 6pm.

This is an extremely difficult situation which impacts on us all, but we believe that the closure of schools is necessary to ensure the safety, health and well-being of everyone and prevent further spread of the virus.

The Prime Minister has advised that children should not be left with older grandparents or older relatives who maybe particularly vulnerable to the Coronavirus.

Our staff have been working hard behind the scenes to devise a learning plan to ensure that your child still has the opportunity to continue their studies remotely. We will send this plan separately via e-mail. Information regarding remote / home learning can also be found on our school website. Regarding key worker children, we are still awaiting instructions from the city council regarding city wide plans for these groups and I will update you regarding this as soon as I possibly can.

I would like to offer my very best wishes to everyone and hope that anybody affected by this unprecedented virus makes a speedy recovery.

Yours sincerely

Sally Aspinwall  
Executive Headteacher
